

Chrysalis Registrations Due!

Hi Y'all! I am Debbie Brandon, this year's Chrysalis Registrar for NWA. My husband Darryll and I moved to NW Arkansas from South Central Texas, where I had been the Emmaus Registrar and later was the Lay Director for the Southwest Texas Emmaus Conference (this involved a lot of travel and handling training through-out the state). Darryll and I are also former Lay Directors for Emmaus and Chrysalis. That's just a little bit about us...but now lets get to the point of this article. So far, there have been a small amount of registrations received in my mailbox, but I have heard that there are others out there. HURRY and get them in so the sponsors, the parents and the candidates can get their confirmation letters and begin the process of the flight. I want to be able to let the sponsors know to bring the candidates favorite snack to share during the flights. It is also important that the sponsors begin the process of retrieving letters from special family and friends (as a good friend of mine used to say, it is the quality of the letters not the quantity...not everyone who can write needs to write a letter). We also need to make sure that we cover these flights with prayer and agape. You can contact me via email at debbrandon@att.net or mail agape to 6 Pithlochry Circle, Bella Vista, AR, 72715. EMMAUS PEOPLE it is your responsibility to send agape, tangible, green and prayer and to attend the candlelight and closings, support the Chrysalis community. After all, youth are the future of the church community.

De Colores, and Fly with Christ,
Debbie
